### The Cape of Good Hope supporting Core

The Cape of Good Hope on Albany Road close to Great Portland Street Station has been supporting Core for almost a year by displaying two of our collection tins on their bar. They have raised more than £300 so far and we are delighted they have been so successful!

We would like to appeal to people around the country to support Core in this very simple but effective way. If you would like to ask your local Public House Landlord to "Adopt a tin" or you are one, you will be helping us raise vital funds for research into digestive disorders and will be ultimately improving the quality of lives of people suffering with digestive illnesses, please get in touch with Chloe Wicks on 020 7034 4972 or e-mail [chloe@corecharity.org.uk](mailto:chloe@corecharity.org.uk).

We need your support!
